

Teacher Commitment to Excellence

We are excited your class is participating in the Science Adventure School. We work hard to ensure that camp is safe, challenging, and fun. In order to live up to these standards and to provide the best program possible, we additionally have high expectations for all of our participants. We ask that you as a teacher be committed to an excellence camp experience by abiding by the conditions, in that you will:

- Ensure that all forms and paperwork are signed by parents and students and given to the Science Adventure School at the appropriate time
- Work with parents and SAS to make sure students have what they need on the packing list
- Remain in supervisory role while at SAS and assist SAS staff with monitoring students
- Be willing to teach a class or lesson as needed, (proper equipment, adequate time for preparation and assistance from SAS staff will be provided) if needed
- Support the WVU researcher by giving access to your class before and after their SAS experience, recommending students to interview, and assisting with research in the school

I have read the above information and agree to abide by the rules and standards of the SAS.
